

The Certified Six Sigma Yellow Belt (CSSYB) is new to the world of Six Sigma and has a small role, interest, or need to develop foundational knowledge. Yellow Belt can be entry-level employees who seek to improve their world or everyday champions who require an orientation of Six Sigma and the define, measure, analyze, improve, and control (DMAIC) model. This certification adopts the approach of advancing the concept and potential of using Six Sigma tools and methodologies within an organization.
