

TO: Faculty Senate Report

FROM: Jeff Gingerich
Provost and Senior Vice President for Academic Affairs

DATE:

Board of Trustees

At the Board of Trustees Education Committee meeting on February 19, Dr. Kelley presented the proposal for the MS Applied Behavior Analysis and Dr. Baylow presented the Communication Sciences and Disorder, BS proposal. The committee unanimously approved both proposals.

At the full Board of Trustees meeting I presented information on the new academic program approval process, the discontinuation of a program process and the GE review that we are undertaking.

Associate Provost Search

The Search Committee met on February 26 to discuss the timeline for the search, review the job description, and discuss where the position should be posted to reach a wide and diverse applicant pool. I hope that the position will have been posted by the Faculty Senate meeting.

Dean Michelle Maldonado has agreed to chair the committee. Committee members are:

Dean Maldonado

Ms. Julie Schumacher Cohen

Dr. Maria Squire

Dr. Paul Cutrufello
